

Van Scoyoc Associates Sets Record for January-June Lobbying Revenue

Washington, D.C., July 20, 2010 – Van Scoyoc Associates Inc. reported lobbying revenue of nearly \$14.53 million during the first six months of 2010, a new firm record for the January-June period.

VSA’s 2010 first-half total represents an 8-percent increase over lobbying revenue during the same period of 2009 and a 5-percent increase over the previous high first-half total of \$13.84 million set in 2005.

VSA’s sister lobbying firm, Capitol Decisions Inc., reported mid-year lobbying revenue of \$1.41 million. Together, the two Van Scoyoc Companies had mid-year lobbying revenue of \$15.93 million.

H. Stewart “Stu” Van Scoyoc, founder and CEO of both firms, said the steady growth is a result both of adding new clients and of continuing work on behalf of clients who have been with the firms for years. Together, the companies serve more than 350 clients.

“We’re pleased to see our business continue to grow in a solid, long-term fashion despite these challenging times,” Mr. Van Scoyoc said. “We’re especially grateful for the trust many of our longest term clients continue to place in VSA and CDI.”

Van Scoyoc Associates Inc. and Capitol Decisions Inc. are both bipartisan, full-service Federal Government affairs firms. The income numbers are as reported to Congress under lobbying registration and enforcement regulations. The numbers do not include non-lobbying income, such as that generated by VSConsulting Inc., the newest Van Scoyoc company.
